<ul style="list-style-type: none"> The time of day was really rough (everyone is tired at 5:00 and it gets dark out super early, which doesn't help). However, Bhargavi was an amazing TA. I really appreciate that she answers questions in such a clear manner, and makes sure to review with us before every quiz. I only wish other people in the class would have joined in the discussion more. Overall 10/10 TA and recitation. She has been a very helpful TA.

<ul style="list-style-type: none"> • Very unhelpful and passive aggressive, doesn't like to admit to mistakes and made many errors in grading - accused me of cheating when she made a mistake on a quiz grade. • Was very helpful, answered questions thoughtfully. • I enjoyed recitation, it aided my understanding of the material and furthered my understanding. I felt that the exams in class were representative of the material, but were graded more based on notation than content. Other than that, I would recommend the course.
